

# Birthday Party Q&A

## *What if I want a party for more people than what is covered in your birthday party package?*

Our birthday party package is set up to give you and your guests a personal and exciting experience. If you would like to host another type of party, please contact our Event Coordinator for information and pricing.

## *Can I bring my own food or have food delivered to the museum?*

Yes, you can bring your own food or have food delivered to the museum.

## *What is included in the goody bags?*

The goody bags are age-appropriate with small toys, puzzles, and a MOST pencil.

## *Can I view the party room before the big day?*

Of course. Schedule a time to view the room with the Birthday Coordinator. You can also view pictures of the party room on our website.

## *Can I change the activity after I book?*

Unfortunately, we cannot change the activity after it is booked.

## *Is there a refrigerator in the party room?*

Yes, there is a refrigerator and a sink in the room.

## *When do I pay the balance for the party?*

You are welcome to pay your balance at any time before the start of the party.

## *Does the party room lock?*

The party room does not lock. If you need a locked area before or after the party time, the birthday host can put your items in a locked room.

## *What information is needed for booking?*

For nonmembers, we ask for your name, address, phone number, date and time you would like to hold the party, the party activity, number of guests, and child's name and age. If you are a MOST member, we also ask for your member ID number.

## *What if one of my guests forgot to wear socks for the Science Playhouse?*

Socks can be purchased in our Science Shop for less than \$3 per pair
