COMPETITION SITE

Milton J. Rubenstein
MUSEUM OF SCIENCE & TECHNOLOGY
500 South Franklin Street
Syracuse, NY 13202

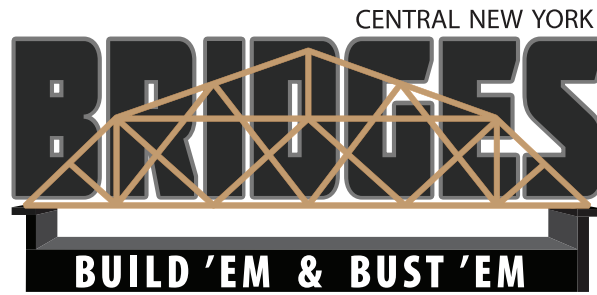

Central New York Bridges: Build 'Em & Bust 'Em bridge building competition provides hands-on STEM activities for fourth through 12th grade students in the central part of New York State, from the Thousand Islands south to the Pennsylvania border. This event lets students test their abilities in in engineering, teamwork, and design.

Each team will build a bridge to test the strength and durability of their design. Awards will be presented to the four top teams in each of the following categories:

- CATEGORY I** Grades 4–6
- CATEGORY II** Grades 7–8
- CATEGORY III** Grades 9–12
