President Toni Martin to Leave Milton J. Rubenstein Museum of Science & Technology

SYRACUSE, New York (June 21, 2018) - The Milton J. Rubenstein Museum of Science & Technology (MOST) announces the resignation of President Toni Martin. Martin has been appointed Director of Development for the Hunter Museum of American Art in Chattanooga, Tennessee effective September 4.

"During her two and a half year tenure, Toni has played an essential role in the MOST's focus on a high-quality museum environment and STEM education programming," said Howard Hollander, Board Chair. "We congratulate Toni and wish her the best."

MOST Executive Vice President, Lauren Kochian, will serve as interim-President of the MOST. A committee of the Board of Directors will begin an executive search for the next President of the Museum.

About the MOST

The Milton J. Rubenstein Museum of Science & Technology (MOST) is a hands-on science and technology museum for all ages. The MOST hosts numerous STEM education programs and community outreach events annually and is home to 35,000 square feet of interactive permanent and traveling exhibits, Silverman Planetarium, and Bristol IMAX® Omnitheater - the only domed IMAX theater in New York State. The MOST's vision is to be a preeminent science and technology center, inspiring all generations through hands-on education and entertainment.

The MOST is regularly open 10 a.m. to 5 p.m. Wednesdays through Sundays. The Museum is open on Mondays and Tuesdays for holidays and local school breaks. For hours and pricing, visit most.org or call 315.425.9068.
