HOW DO I PICK UP/DROP OFF MY CAMPER?

Drop-off time for all Summer Camps is from **9:00 – 9:30 AM at the street level entrance** (to the right of the main entrance by the large iron gates.) Please be prepared to sign your camper in. Pick-up for most camps is from **3:30 – 4:00 PM**, also **at the street level entrance**. Please be prepared to sign your camper out by providing proper identification. Every person who will pick up your camper must be entered on the registration form as authorized pick-up persons. *Late arrivals and early pickups must be arranged in advance with the Lead Counselor.*

WHAT SHOULD MY CAMPER BRING/WEAR?

Campers should be dressed for playing, exploring, and possibly getting a little messy! **We will provide snacks and a camp t-shirt.**

Each camper should also bring the following items with them to camp:
- a **packed lunch** that does not require refrigeration or heating (the MOST will provide snacks)
- a **pair of socks** (if they are not wearing any)
- a **water bottle** labeled with their name
- a **sweater or jacket** (optional – classrooms are air-conditioned)

WHO ARE THE CAMP COUNSELORS?

All counselors are museum staff members, interns, and volunteers who have experience working with children. The Director of Education and other museum staff have American Red Cross certification in Adult & Pediatric First Aid/CPR/AED.

MY CHILD TAKES MEDICATION. CAN THEY ATTEND CAMP?

MOST Staff are prohibited by law from administering medication to campers with the exception of EpiPens in the case of an emergency. Campers who are able to self-medicate should submit the Authorized Medication form available at most.org or by contacting estewart@most.org.
