

BUILD YOUR FUTURE: AN EVENING WITH MICRON AT OCM BOCES

Information Session & Open House

Learn from Micron, OCM BOCES and other community partners about accessing construction and other trades opportunities for the new Micron semiconductor plant and other projects in Central New York. No prior experience is necessary.

During the session, you will learn about:

- Job opportunities and qualifications for regional construction projects, including Micron and I-81
- Training programs available through OCM BOCES in areas such as construction, HVAC, welding and electrical technology
- Other training programs and apprenticeship opportunities
- Step-by-step guidance on how to join a local construction union & the benefits of union membership

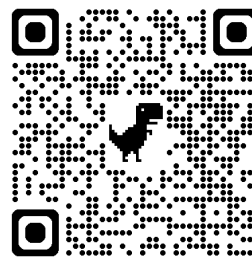

Light refreshments and tours of the OCM BOCES Adult Education Campus will be available.

Tuesday, March 31
6 to 7 p.m.
OCM BOCES Main Campus

Second Floor - Seneca Conference Room
110 Elwood Davis Road
Liverpool, NY 13088

Pre-registration is requested but not required:
